Reverse Cycle Air-Conditioning

Everyday Homes Pty Ltd, reserves the right to modify inclusions and specifications, change suppliers and substitute products with equivalent value. Everyday inclusions do not include decoration items, brick upgrades, alarm, garage remotes, roof upgrades, dishwasher, airconditioning, light fittings and pergolas. Some display homes may display optional extras outside the builders nominated range. It is the clients responsibility to satisfy themselves in relation to what items are included and this can be done with the assistance of an Everyday Homes representative. **Effective May 2025.**
